TEACHER LIBRARY CARDS

We recently changed our procedures on library cards for educators. Now it's easier than ever to get an APLD library card to check out materials for your classroom! Just visit any library location with your School ID. Early Learning Facilities and Daycares are also eligible for organization library cards. Visit www.aurorapubliclibrary.org/librarycard

STUDENT LIBRARY CARDS

Kids age 17 or younger who live outside City of Aurora limits but attend school in Aurora may qualify for a library card under the State of Illinois Cards for Kids Act. The entire process can be completed online. Visit www.aurorapubliclibrary.org/librarycard
