BOARD MEETING 6-23-2021 MINUTES APPROVED

EXECUTIVE DIRECTOR’S REPORT: Michaela Haberkern announced library use is bouncing back from the pandemic. We are watching the Delta variant and if there is guidance to require staff and customers to mask up, we will do that. Our bookmobile vendor has pushed our delivery date back to June 2022, citing supply chain issues. West Branch will begin soliciting public feedback on paint and carpet palettes for the new bookmobile. We are currently in the policy review phase of our Equity, Diversity, and Inclusion project with RGW Consulting. Following this review, we will begin training board, managers, and staff. As we continue to increase services and programs, we are also hiring to fill vacant positions. We have recently hired an early literacy specialist in the Kiwanis Children’s Center at Santori, a librarian in the Adult Services Department and filled openings in Digital Services.
