

MR. DICKENS AND HIS CAROL

Samantha Silva

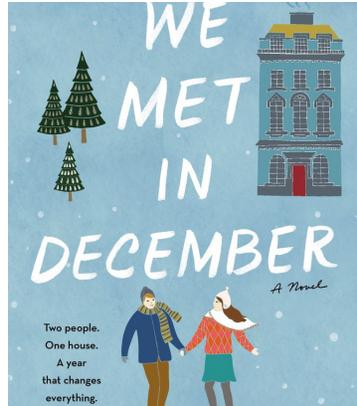

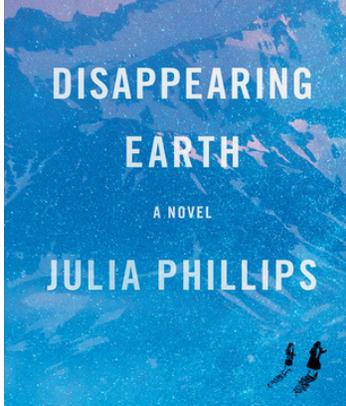

Charles Dickens's latest book has flopped and his publishers are pushing him to write a Christmas story, of all things. Rather than face his family and their impending financial ruin, Dickens goes for a long walk... and just might come back with the inspiration of a lifetime. Samantha Silva has put a new twist on *A Christmas Carol* by imagining Dickens in the shoes of his famous creation, Scrooge. Part historical fiction, part parable, *Mr. Dickens and His Carol* is great for Dickens fans and newbies alike.
