Census Forms Throughout History

Peer into an integral piece of local history with this fascinating exhibit of late 19th and early 20th century census forms. Complete a scavenger hunt across all locations to earn a prize!

Pick up your scavenger hunt document at any location to discover historic facts about the census. Turn it in at any location for a prize. Remember, you count in Census 2020!

National Poetry Month Contest

Join us in celebrating National Poetry Month with a special contest themed “Community Counts.”

Students in grades 3 through 6 are invited to submit original, unpublished poems to any APL location from March 1–21. Please visit the library website or contact your local branch for more information.
