TO SLEEP IN A SEA OF STARS
Christopher Paolini

Kira Navárez dreamed of life on new worlds. Now she's awakened a nightmare. During a routine survey mission on an uncolonized planet, Kira finds an alien relic. At first she's delighted, but elation turns to terror when the ancient dust around her begins to move.

As war erupts among the stars, Kira is launched into a galaxy-spanning odyssey of discovery and transformation. First contact isn't at all what she imagined, and events push her to the very limits of what it means to be human.

While Kira faces her own horrors, Earth and its colonies stand upon the brink of annihilation. Now, Kira might be humanity's greatest and final hope...

ZOEY PUNCHES THE FUTURE IN THE DICK
David Wong

A steamer trunk-sized box arrives at Zoey's door, and she and her bodyguard Wu are shocked to find that it contains a disemboweled corpse, and even more shocked when that corpse, controlled by an unknown party, rises from the box and goes on a rampage through the house. After being subdued, it speaks in an electronic voice, accusing Zoey of being its murderer. Soon, it makes the same claim to the public at large, along with the promise of a cash reward for proof that Zoey and the Suits are behind the crime.

Now Zoey is having doubts of her own: Is she 100% sure that someone on her team didn't do this? She also doesn't even have a complete list of what businesses she owns, or what exact laws her organization is still breaking. So what does she really know?

HENCH

A Novel

HENCH

Natalie Zina Walschots

Anna does boring things for terrible people because even criminals need office help and she needs a job. As a temp, she's just a cog in the machine. But when she finally gets a promising assignment, everything goes very wrong, and an encounter with the so-called 'hero' leaves her badly injured. So, of course, then she gets laid off. With no money and no mobility, with only her anger and internet research acumen, she discovers her suffering at the hands of a hero is far from unique. When people start listening to the story that her data tells, she realizes she might not be as powerless as she thinks. Because the key to everything is data: knowing how to collate it, how to manipulate it, and how to weaponize it.

RIOT BABY

Tochi Onyebachi

Ella and Kev are brother and sister, both gifted with extraordinary power. Their childhoods are defined and destroyed by structural racism and brutality. Their futures might alter the world. When Kev is incarcerated for the crime of being a young black man in America, Ella - through visits both mundane and supernatural - tries to show him the way to a revolution that could burn it all down

AGENCY

William Gibson

Verity Jane, gifted app-whisperer, has been out of work since her exit from a brief but problematic relationship with a Silicon Valley billionaire. Then she signs the wordy NDA of a dodgy San Francisco start-up, becoming the beta tester for their latest product: a digital assistant, accessed through a pair of ordinary-looking glasses.

THE LAST EMPEROX

John Scalzi

The collapse of The Flow, the interstellar pathway between the planets of the Interdependency, has accelerated. Entire star systems--and billions of people--are becoming cut off from the rest of human civilization. This collapse was foretold through scientific prediction . . . and yet, even as the evidence is obvious and insurmountable, many still try to rationalize, delay and profit from, these final days of one of the greatest empires humanity has ever known.

A BEAUTIFULLY FOOLISH ENDEAVOR

Hank Green

The Carls disappeared the same way they appeared, in an instant. While they were on Earth, they caused confusion and destruction without ever lifting a finger. Well, that's not exactly true. Part of their maelstrom was the sudden viral fame and untimely death of April May: a young woman who stumbled into Carl's path, giving them their name, becoming their advocate, and putting herself in the middle of an avalanche of conspiracy theories. Months later, the world is as confused as ever. Andy has picked up April's mantle of fame, speaking at conferences and online about the world post-Carl; Maya, ravaged by grief, begins to follow a string of mysteries that she is convinced will lead her to April; and Miranda infiltrates a new scientific operation...

THE ARREST
Jonathan Lethem

Working as an organic farmer in a near-future world devoid of technology, a former Los Angeles screenwriter unexpectedly reconnects with his once-famous partner, who has retrofitted a nuclear-powered digger to launch an unknown agenda.

THE MIDNIGHT LIBRARY
Matt Haig

Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices... Would you have done anything different, if you had the chance to undo your regrets?

THE VALKYRIE PROTOCOL
David Weber

In the midst of the temporal turmoil, time is running out for Raibert and his team to save the rest of the known universes from ceasing to exist. Navigating the paradoxes of time can be a killer task—especially when dogged by those who seek your destruction at every turn. But this isn't the first Time Rodeo for the crew of the Kleio, and they won't go down without a fight—no matter where—or when—the threat to the multiverse arises!

MACHINE
Elizabeth Bear

Meet Doctor Jens. She hasn't had a decent cup of coffee in fifteen years. Her workday begins when she jumps out of perfectly good space ships and continues with developing treatments for sick alien species she's never seen before. She loves her life. Even without the coffee. But Dr. Jens is about to discover an astonishing mystery: two ships, one ancient and one new, locked in a deadly embrace.

DUNE: THE DUKE OF CALADAN
Brian Herbert

Leto Atreides, Duke of Caladan and father of the Muad'Dib. While all know of his fall and the rise of his son, little is known about the quiet ruler of Caladan and his partner Jessica. Or how a Duke of an inconsequential planet earned an emperor's favor, the ire of House Harkonnen, and set himself on a collision course with his own death. This is the story.

Through patience and loyalty, Leto serves the Golden Lion Throne. Where others scheme, the Duke of Caladan acts. But Leto's powerful enemies are starting to feel that he is rising beyond his station, and House Atreides rises too high. With unseen enemies circling, Leto must decide if the twin burdens of duty and honor are worth the price of his life, family, and love.

TO HOLD UP THE SKY
Cixin Liu

A collection of speculative science fiction tales that envision the future and reimagine the past in settings ranging from the coal mines of China to the edges of frontier space.
